

# Sandy Beach Study

Iona Beach, Richmond  
May 2012

By \_\_\_\_\_

## Clam study

**Clam**

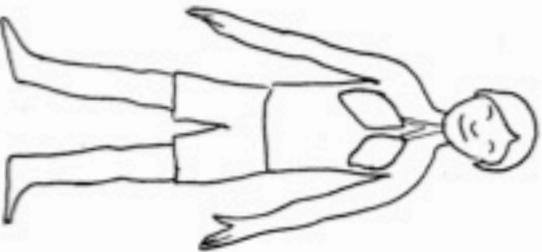

We both eat, using a  
SIPHON MOUTH

We both breathe, using  
GILLS LUNGS

We both move, using our  
FOOT

A clam has a  
SHELL made by the  
MANTLE

**Person**

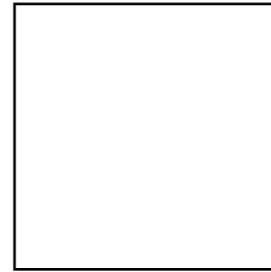

# How sand and mud are made

# Sand and mud examination

After shaking the rock in the water it looks like this:

**Sand sample**

The rocks in sand are these colours:

---

---

---

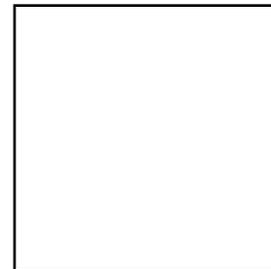

How Iona Beach sand and mud are made:

---

---

---

**Mud sample**

Estimate how many grains of mud could fit in a grain of sand:

---
